#### GHOST WRITING

We ghost write articles for workers compensation executives about their companies for both internal and external publication. This is a confidential service for busy executives who want to increase visibility and improve corporate communications.

We conduct research and gather information by touring facilities, conducting interviews, or by submitting a series of written questions to be answered by key personnel, which our team of expert workers comp ghost writers then prepare into custom articles that effectively reach your targeted audiences.

Per Article

Ghost Writen Article	Approx 200 - 400
